IMPORTANT SHIPPING INFORMATION:

1. Invoices are dated the day the order is shipped. Packages are shipped by the United Parcel Service wherever possible. Be sure to arrange for someone to receive the package. UPS requires signature for proof of delivery.
2. In the event there is no one to receive the package on the first try, UPS will make two more attempts to deliver, after which the package will be shipped back to us, and *you will be charged for the shipping*.
3. If there is a back order on your order, you will be billed only for what is sent. Back orders are generally filled within one week. You do not pay shipping on the back order. We will notify you by phone if we anticipate a delay in shipping all or part of your order.
4. DAMAGED or MISSING ITEMS: Packages delivered by UPS in a damaged or incomplete condition **MUST** be reported to our office within 48 hours of receipt. Items missing **MAY** indicate that a package was tampered with after leaving our office. *Please retain the original shipping carton for UPS examination.* Following their inspection of the package, UPS will pick up the damaged product(s) and handle all details on the claim, notifying us. Do not return damaged packages to us.
